TXOMIN ETXANIZ

TXAKOLI BLANCO 2016

From the first GBUK pintxo tour in the Basque Country, the team have been eager to get their hands on some top Txakoli to complement our Spanish offering. We're now thrilled to welcome the leading producer of DO Txakoli, Txomin Etxaniz, to our portfolio. With an amazing history in a beautiful setting, the Txueka Etxaniz family has been dedicated to vine growing for generations.

HARVEST

The 2016 vintage experienced exceptional growing conditions, with a warm summer and little precipitation, producing very healthy grapes.

VINEYARD FEATURES

Txomin Etxaniz has 35 hectares of protected, sloped vineyards in Getaria where we grow two native grape varieties; Hondarrabi Zuri (85%) and Hondarrabi Beltza (15%), which are hand harvested at the start of October and then made into txakoli in our wineries.

WINEMAKING

When the grapes reach the winery a further selection is made before they are pressed and the juice is vinified at controlled temperatures in stainless steel tanks. The wine is aged sur lie before it is bottled and released to the market.

WINEMAKER'S NOTES

Pale lemon colour with light green hues. A lively, slightly sparkling white wine with moderate alcohol and a refreshing acidity. Aromas of fresh citrus fruits and white blossom are joined by flavours of crisp green apple, pear and zingy lemon on the palate.

SERVING AND PAIRING

Should be served chilled between 6-8°. Ideal as an aperitif and as a partner to salads or fish.

Vintage: 2016

Denomination of Origin:
D.O. Getariako Txakolina
